Daniel Dunsten, 9, of Windber, and his parents, Holly and Bill Dunsten, talk to Mickey Sgro, AFSCME District 83 director and Variety the Children's Charity board member, after Daniel received an adaptive bike Wednesday. Daniel's father said the bike will finally allow him to play with the other kids on their street. Eleven children from Blair, Cambria, Clearfield, Indiana and Somerset counties received adaptive devices Wednesday at the Cambria County Courthouse in Ebensburg. Sgro presented a check to sponsor a bike for Daniel from a trust that receives donations from union members. During the event four adaptive bikes, three adaptive strollers and four communication devices were presented. *Photo by Katie Smolen.*
