Variety—the Children’s Charity provides children with disabilities unique programs, experiences, and equipment, so they may live life to the fullest and not be left out, left behind, or excluded.

Variety offers three adaptive equipment programs for eligible children:

1) **Variety’s My Bike® Program**, which currently provides Rifton adaptive bikes (with Rifton accessories) to children with disabilities, so they can experience the joy, freedom, and belonging that’s created through riding a bike.

2) **Variety’s My Stroller® Program**, which currently provides a Kid Kart® Mighty Lite adaptive stroller to eligible kids with disabilities for mobility and/or safety in the community.

   Typically, a family must choose between having a wheelchair or adaptive stroller. So, as a wheelchair is more necessary, an adaptive stroller allows for easier “on-the-go” mobility and participation in daily activities and throughout the community. With an adaptive stroller, kids are no longer isolated and it has an immediate impact on their lives. For others (not necessarily with mobility challenges), a child might need an adaptive stroller to stay safe while out in the community.

3) **Variety’s My Voice® Program** provides a communication device (currently a restricted iPad with a prescribed communication app) to eligible children with a communication disorder to give them a voice at all times – enabling kids to express their thoughts, feelings, wants, and needs.

   This device is designed solely for communication, so most features are disabled/restricted to focus it on the child’s communication and their prescribed communication app — making it their voice.

   “Our My Voice® Program is financed [in part] by a grant from the Commonwealth of Pennsylvania, Department of Community and Economic Development as well as generously funded by community donations.”

Families should use this application to apply for any and all of Variety’s programs, and give our office a call if any assistance is needed (724-933-0460). You can also complete the application online at [www.varietypittsburgh.org/applynow](http://www.varietypittsburgh.org/applynow).

**WHAT PROGRAMS ARE AVAILABLE?**

**SOME THINGS TO KNOW:**

- **We welcome you to apply for more than one of Variety’s equipment programs!** At Variety, if your child is eligible and can benefit from one, two, or all three pieces of equipment, then we want you to apply!

- Variety has a three-year policy for mobility equipment, in which eligible children can reapply for a new adaptive bike or adaptive stroller after three years of receiving the original equipment. Please know that a full application, including a second fitting/evaluation for equipment must be completed.

- Equipment must be presented within one year of application approval or a new application must be completed.

As part of the program, Variety requires the applicant and his/her parent or legal guardian to attend a scheduled regional presentation to receive the equipment to properly review all safety and equipment specifics before it is taken home. Please be aware that the scheduling of these presentations can take some time, so your patience is greatly appreciated.
