

## Variety's **My Bike**® Program & **My Voice**® Program:

All equipment is provided at **NO COST** to families that meet the program's eligibility requirements.

Variety's **My Bike** Program currently provides a Rifton adaptive bike (with Rifton accessories) to eligible children with disabilities, so they can experience the joy, freedom, and belonging that comes from riding a bike alongside friends and family.

*"My daughter has had several bikes that we've given away because she doesn't have the leg and core strength to pedal and balance them. **An adaptive bike opens a whole new world for her**, where she can go out and enjoy biking on the trail or at the park. An adaptive bike will also allow her to get exercise on a level that fits her needs and benefits her health." -Stephanie, mom of Tamiya (left)*

Variety's **My Voice** Program provides a communication device (i.e., a restricted iPad with a prescribed communication app) to eligible children with a communication disorder to give them a voice and enable them to express their thoughts, feelings, wants, and needs 24/7.

*"The first time Quinn clicked on milk, and I got him some milk, his eyes lit up sooo much because he realized, I actually understood what he wanted! **It was a magical moment.** And, he always clicks the mom button with my picture, and **then runs and gives me a hug!**"

## What is Variety the Children's Charity?

- With a mission to empower children with disabilities to live life to the fullest, Variety the Children's Charity provides life-changing mobility and communication equipment to ensure our most vulnerable kids are no longer left out, behind, or excluded.
- Variety was founded in 1927 to help one child, and today, our focus is on the mobility and communication needs of kids with disabilities and give them the opportunity to discover their own possibilities with the right equipment.

Variety's **My Bike®** Program kicked off in Western Pennsylvania on November 5, 2012, and the success of **My Bike** led to the creation of Variety's **My Voice®** Program, which both kicked off on November 14, 2014.
