How can you help Variety after today?

- **Share about Variety** to your employees, friends, and network, as so many don't know even know that we exist.
- **Open the door to someone you know** that can sponsor equipment for local kids. **Right now, the need and cost for the adaptive bikes and adaptive strollers are especially great.**

Interested families can visit www.varietypittsburgh.org
Donations can be made online at www.varietypittsburgh.org/donate
